CONTACT: ALEXIA GOTWALT (916) 359-5158 or alexia40@aol.com

REMEMBER:

- **Bring** your own gloves and **tools** for tackling weeds, shrubs, and spent flowers.
- Safety regulations require us to limit participation to ages 18 and up.
Please leave anyone under 18 at home.
- Landscape Day requires labor, with results that are appreciated by faculty and students. Volunteers should be in good health and ready to do their fair share of work while there. You will kindly be asked to leave if you are **not working, or not doing the tasks for the day.**
- Please pick-up a signed parent hour form when you check-out. Fill out the form and return your form to the office during regular office hours.
